

OC Core 1.3.3 Master Monograph

OC Core 1.3.3: Master Monograph

Status: OWNER_REVIEW_READY_NO_SEND.

No public release or journal submission is authorized.

Formal core, proof closure, K-level atlas, validation reports, and reviewer attack closure.

Formal appendices: K0 resolution, generalized boundary, continuumness, hybrid operators, identity

Empirical policy: official-data snapshots or protocol-ready blockers; no fake PASS.

OC Core 1.3.3: Master Monograph

Status: OWNER_REVIEW_READY_NO_SEND.

No public release or journal submission is authorized.

Formal core, proof closure, K-level atlas, validation reports, and reviewer attack closure.
